9000 SW Washington Square Rd, Tigard, OR 97223

Free Admission

Portland Chinese Community Fair

Arts, Commerce & Education

To promote business within Chinese community and to connect business owners, artists and educators from all communities, we will launch our inaugural community fair. The fair will have three sections: arts, commerce and education. The 8,000 sf space will accommodate up to 50 exhibition tables (provided). One conference room (70 people capacity) will host 45 minutes talks.

Main stage will have performances every whole hour, and talks on various subjects.

We will expect hundreds of visitors from Chinese community, more from other communities and hotel guests. We welcome everyone to join us to make this humble step a success. You can be an exhibitor or a sponsor or both. Your name will be on our community website and will be promoted on 30+ WeChat groups that have thousands of local Chinese community members.
